Product description

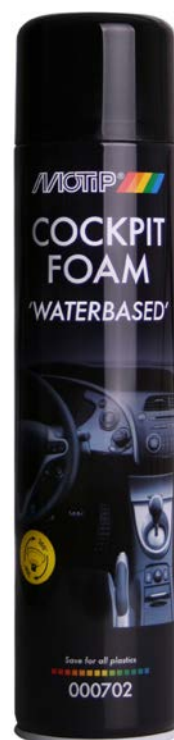

High quality cockpitspray to clean, protect and embellish the dashboard and other plastic parts in the car.

Product characteristics

Waterbased foam
Subtle scent
Excellent cleansing properties
Antistatic
Leaves no residue, not even on windscreens
360° Valve

Physical and Chemical Characteristics

Contents	:	600 ml
Scent	:	Citrus
VOC-content	:	Approximately 25% w/w
Appearance	:	White foam
pH-value	:	10

Usage

Before use, carefully read the directions on the packaging and act accordingly.

The aerosol should have room temperature.
Best processing temperature 5 to 30°C.
Before use, shake the aerosol.

Switch off electrical installations before treatment. Apply the cockpit spray and allow to take effect so the foam can break. Then polish with a dry cloth.
