Product description

High quality powerful spray to mask unpleasant smells in small and large rooms.

Product characteristics

Very efficient
Very effective
Excellent masking properties
Lasting effect

Physical and Chemical Characteristics

Contents : 600 ml
Scent : Citrus
VOC-content : Approximately 99% w/w
Coverage : Approximately 50 shots

Usage

Before use, carefully read the directions on the packaging and act accordingly.

The aerosol should have room temperature.
Best processing temperature 5 to 30°C.
Before use, shake the aerosol

Depending on the size of the room, briefly press the nozzle once or several times.
In view of the very powerful spray pattern and the compatibility of the surface, spray in the air and keep sufficient distance from objects.

For use in a car, we advise to spray on the floor mat.

For use in small areas, ventilate properly.
